

INTERNATIONAL INSURANCE FOR AID GROUPS AND NGOS

TFG Global Insurance Solutions Ltd., through its division Expat Financial, offers international insurance solutions to companies, individuals and Non-Governmental Organizations (NGOs) around much of the world.

The people that your organization sends abroad are your most valuable asset. As such, it makes sense to source the best possible insurance plans to protect them no matter what happens. We are an international insurance brokerage firm that offers financial security plans designed for expatriates, their employers and some local nationals where conditions merit. We offer a wide array of international life, evacuation, health and disability insurance products. We have become a leader in providing special risk insurance plans to individuals, aid groups and companies operating in high risk zones such as Afghanistan and Iraq.

As conditions can change in an instant, it is always best to have coverage that suits the destination. TFG Global has the knowledge, people and resources to identify the right solutions for your international insurance needs. As International insurance specialists, we can help you define your aid group or NGO's global insurance requirements. TFG Global offers independent advice, solutions and ongoing service and support to clients around the world. We work with large and secure insurance companies.
